

Camp Fair Oaks Participant Agreement

At Camp Fair Oaks we want to provide each camper with a positive experience to be able to meet new friends, share memories, be creative, laugh out loud, learn a new skill, play fun games, and be themselves. We can succeed in our efforts if we work together and agree to the following guidelines:

Camper Initials	Parent Initials	Participant Expectations
		Camp Rules: I will follow the program rules as established. 1) Respect others and their property. 2) Keep hands, feet and objects to self. 3) Respect materials and equipment. 4) remain within the assigned boundaries. 5) listen to the counselors. 6) HAVE FUN!
		Behavior: I understand that this is a camp program that also goes on field trips. As such, I will conduct myself in an appropriate manner and follow the directions given to me by the counselors, tour operators or bus driver. Failure to do so may result in loss of privileges.
		Trip Locations: I will exhibit appropriate respect for the tour operators, equipment and locations we visit. I understand that not doing so may jeopardize the camp's opportunity and mine to return.
		Active Participation: I understand that my active participation is required for most activities. This may include hiking, swimming and running, playing or actively listening during a presentation or tour.
		Dress Code: I will wear the prescribed Day Camp shirt as assigned for specific days. I also understand that closed-toe athletic shoes are required at all times, even water days, and I will wear appropriate attire free from adult themed items.
		Money: I will only bring extra money on field trips when I am told that I may. I understand that it is my responsibility to carry my money.
		Cell Phones & Electronics: I will refrain from bringing a cell phone and other electronics to camp. As a recreation based program we strive to release campers from unneeded technology. If you have concerns, please contact the recreation coordinator.
		Group Assignment: I will respect the decision of the counselor in assigning me to a group. I will follow the instructions given and not switch groups without asking.
		Language: I will use language that is appropriate at all times. I will not demean, denigrate, or use explicit language (4-letter words) that are directed at any person, situation or object at any time.
		Bullying/Teasing: I will refrain from harassing, antagonizing, or taunting other campers, staff or associated individuals. Violations will be dealt with swiftly.

I understand that I am fully responsible for my behavior and actions. I will also accept the consequences and learn from my mistakes. These may include but are not limited to discussion with camp staff or program supervisor, verbal/written warning, contact with parent, suspension for a specific period of time, expulsion from the program or any combination therein. All disciplinary actions will be at the discretion of the camp director and program supervisor depending on the severity of the infraction.
