

# Camp Fair Oaks

## Counselor-in-Training Program

This program is for those that are too old to attend camp, but too young to begin working. It is an opportunity to gain valuable career skills and experience in working with youth. You will be an integral part of the Camp Fair Oaks Team by providing program support, partnering with staff on various projects, creating and implementing activities and assisting in the supervision of campers. CIT's will report to the Camp Director and be paired with experienced staff members. Space in the CIT program is limited. Please contact [campdirector@fairoakspark.org](mailto:campdirector@fairoakspark.org) for information on the CIT program and how to sign up.
