

1. For the URL, <https://apm.activecommunities.com/fairoakspark/>, do we need to consider this portal to be integrated or redesigned?

Not this specific link as we are changing our registration software provider, but there will be a portal that will need to be integrated. The company we select to be our new provider may do the integration, but please include the cost in your proposal.

2. What traffic are you expecting on the website, this will help us to share the best hosting plan?

WordPress 4.6 RC2 August 11, 2016
The second release candidate for WordPress 4.6 is now available. We've made over 30 changes since the first release candidate. RC means we think we're done, but with millions of users and thousands of plugins and themes, it's possible we've missed something. We hope to ship WordPress 4.6 on Tuesday, August 16, but we need [...]

3. Is the content migration of the current website part of the scope?

Yes.

4. Do you have a preference for a certain CMS, as we are planning to use Drupal Content Management System?

No preference.

5. Can you share the budget allocated for this project?

Currently \$11,000.

6. Do we need to adhere to the current design branding for the new website?

The website must adhere to the current color palate and logo as those are board-approved designs; however the overall design of the site can be altered.
